The BOERENGEEES Braaiprego

A steak roll with garlicky lemon butter and a spoon of piri-iri. Our own crossover for a South African braai.

INGREDIENTS

4 crusty rolls; 600 g thin steak; 40 g butter; 2 garlic cloves; juice of half a lemon; piri-iri to taste; salt

METHOD

1. Mix butter with garlic and lemon. Grill seasoned steak until cooked to your preference and rest briefly.
2. Warm the rolls, spread with lemon butter, add steak and piri-iri. Serve at once.
